Setup

Field is 30 x 30 yards. Team A has six players (numbers-up); Team B has four (numbers-down).

Sequence

Team A scores one point for completing a given number of passes (e.g. 10). B uses skillful defensive play to keep A from scoring. If B's players win the ball, they try to keep it away from A as long as possible.

Variations

- Team A's players have two touches.
- Team A's players pass directly.

Tips and suggestions

- Team A's players should play fast, accurate passes and take minimal risks. They use good field coverage and intelligent opening runs to create lots of passing options, identifying and exploiting openings. They must also occupy the middle.
